HORIZONTAL & VERTICAL LOG SPLITTERS

- 1 Full, Industrial I-Beam**
Durable beam construction provides incredible strength.
(excludes PCLS2013GC)
- 2 4-Stage Hydraulic Filtration System**
Filtration prevents contamination and damage to the hydraulic system by removing metal and other micro particles. Components include suction strainer, breather cap air filter, return line filter and magnetic drain plug.
(excludes PCLS2013GC)
- 3 Log Cradles**
Cradles catch split logs and serve as a work table for large logs.
- 4 Heavy-Duty Log Dislodger**
Dislodger ejects logs that stick to the splitting wedge protecting the control valve and other hydraulic components from damage.
(excludes PCLS2013GC)
- 5 Convenient Lift Handle**
Provides added control for quicker, easier and safer transitions between the vertical and horizontal operating positions on 24-37 ton models.
- 6 Powder Coat Paint**
Sherwin-Williams paint withstands heavy use and weather elements.
- 7 Nylon Hydraulic Hose Sleeve**
Sleeve provides protection from:

 - Abrasive wear that can damage the hose
 - Accidental spraying from pinhole leaks
 - Sunlight which can break down the rubber *(excludes PCLS2013GC)*
- 8 Industrial Cylinder with Halite Seals**
Keeps constant and consistent pressure while splitting.
(excludes PCLS2013GC)
- 9 Tow-Ready**
Towable up to 45 mph with 2" ball hitch, chains and highway-rated tires.

3 POINT HITCH LOG SPLITTERS

- 1 Two-Way Operating Control**
Easy to use split control lever allows operator to move the wedge forward and backward. Wedge splits on both the forward and reverse stroke cutting cycle time in half.
- 2 Hydraulic Operation**
Use your tractor's hydraulics to operate the cylinder.
(hydraulic hoses not included)
- 3 Operating Controls**
You'll split twice as much as you would in the same time with a conventional wedge
- 4 Tapered Wedge Design**
Wedge design has two tapered edges to allow easier splitting in both directions.
- 5 Log Cradles**
Cradles catch split logs and serve as a work table for large logs.
- 6 Tractor Mount**
Category 1, 3-point hitch for convenient attachment to your tractor.
